## Last month. . .

Happy 1<sup>st</sup> month of school! All of our programs had a great start to the school year? There are lots of new faces in each program and we're glad to get to know each and every one of you! This month, we explored the themes of "Back to school", "Outer Space", "The Jungle" and "The Fall". On the first day of school, we went over the rules at O.K. Kids., see if your kids remember what some of them are. . . as an FYI, we will also be performing fire drills at our programs as well as shelter in place drills, but we will inform you when the shelter in place drills will take place (2 X a year).

The children have had fun making straw rockets, constellations, arm & hand giraffes, paper plate monkeys, water color squirrels, fall trees, paper plate apples with worms, fall trees and painting with leaves!

More news for next month!
