Last month. . .

We have had a great first month of camp! First, we would like to thank all of our visitors for coming in to see us and sharing your time with us! Some of those include the Niverville Fire Department, The Valatie Rescue Squad, Tregar the Magician, Michelle from MUD Creek, Rhonda's Reptiles, Katie Snyder (Zumba) and of course, Otto the Car from AAA!

We've had some great field trips too! We got to visit the new Via Aquarium and loved it! Touching the stingrays was awesome! We got to dress up like fire fighters at the FASNY Museum and enjoyed a nice picnic lunch there as well. We enjoyed going to see the new Despicable Me movie with some other area camps as well as a great visit to MiSci in Schenectady! Whew! A busy summer full of fun activities! We can't wait to see what next month brings, but we'll be sure to share it with you!!
