January 2019

Last month at the Middle School. . .

December certainly was a busy month for everyone! We had a great month preparing for the Holiday's with all kinds of fun crafts and activities! Some of our favorites included making Christmas countdown snowman faces, fingerprint Christmas lights, ornaments, playing dreidel, writing letters to Santa and cards for the residents at "The Grand". Thank you to all that attended our Christmas Vacation Club, it was a quiet week, but we managed to fit a lot in! Everyone enjoyed going to see Mary Poppins Returns (and eating popcorn, too!) as well as a little party to celebrate the New Year! Our hope is that everyone has a happy and healthy 2019!!

Last month at the Primary School. . .

We hope everyone had a happy holiday and a happy new year! This past month the children participated in Zumba, which they all seemed to enjoy. We made a group art project to show off to all the families for the holidays, each child made their own piece of art to add to the board! Some crafts that we did were scratch-art mittens, marble Christmas tree painting, Hanukkah hands, Kwanzaa bags, and Christmas ornaments.
