February 2019

Last month at the Middle School. . .

Happy New Year to everyone! We've had a great start to 2019 by exploring the themes of animals, science, winter, outer space and games! Some of the activities that we did include coloring velveteen animal pictures, blowing up balloons with Alka Seltzer, bubble pictures, making slime, glitter icicles, glitter and bead snowflakes, paper bowl spaceships with aliens and painting watercolor sky pictures. We also played lots of different games, some of which were Night at the Museum, Red Light Green Light, Bananagrams, cards, memory and Mexican Train Dominoes! More news to come next month!

Last month at the Primary School. . .

This past month has been a cold one!! We haven't been able to go outside a lot due to the weather, but we played many games in the gym and cafeteria. Some of the crafts we did this past month include pom pom polar bears, snow owls, coffee filter earth, constellations, and more. For game week we played an M&M game where the children had to answer a question associated to the color M&Ms they received. We also played memory games to see how many objects the children could remember together with their groups.

Parent reminders. . .

- March tuition is due on or by Wednesday, February 20th.
- Please make sure that your child has the proper attire for playing outside (winter coats, hats and gloves are a must, boots and snow pants if there is snow).
- O.K. Kids is Closed on Monday, February 18th.
- Please sign up for February Vacation Club by Monday, 2/11/19. Payment is due by this date as well!
