April 2019

Last month at the Middle School. . .

We started out the month reading some staff favorite book picks and doing a craft based on the book. A couple of the books we read include *The True Story of the Three Little Pigs* (wolf craft) and *Mouse Soup* (cute little mice!)

Next we focused on St. Patrick's Day by making rainbows, pots of gold and Leprechauns! Happy St. Patrick's Day everyone!

We explored the 5 Senses by playing memory games, finger painting and making "scratch and smell" name paintings! They smelled wonderful!

The last week of the month we spent celebrating SPRING! Flowers, raindrops and umbrellas, sunshine and baby chicks!! Happy Spring and stay tuned for more news next month!

Last month at the Primary School. . .

This past month went by so fast! We were able to go outside more this past month. Some of the crafts we did include popsicle stick crayons, construction paper cardinals, leprechaun plate masks, and finger painting. On the conference day, we spent some time making a book called *Okkids.com!* We had a Magician (Tregar) visit us and the children loved it! Some of the kids were able to help with the magic tricks.
