Last month at the Middle School. . .

We started out the month exploring the world of Minecraft! We did a few S.T.E.M projects including paper airplanes, a few science experiments and trying our hand at weaving! We then discovered all things that grow! Just a few projects we worked on were painting flowers, self portraits, caterpillars and planting seeds. Hopefully, they've started to grow for you! We then focused on all things red, white and blue. Beads, paper crafts, painting and more! Lastly, our theme for the end of the week was fun with snacks. We enjoyed s'mores in a bag, decorating cookies, graham crackers treats and dirt in a cup! Also, a huge thank you to everyone who marched with us for the Memorial Day Parade. It was a great morning! More news next month!

Last month at the Primary School. . .

This past month we have been so busy! We've worked on many crafts, had plenty of outside time, and spent a few long days together. Some of the crafts we worked on were planting marigold seeds, starfish with buttons, Minecraft creepers, a pizza bagel snack, and dirt cups! We have been practicing mindfulness everyday by listening to Disney piano music. Some children become so relaxed that they fall asleep! We also started using our fun jar with cotton balls again: if the children use listening ears or help their friends then cotton balls will be put in the jar and if it gets full, we will have an end of the school year party!

Parent reminders. . .

- $\frac{1}{2}$ of Septembers tuition is due by Thursday, June 20th. This will hold your child's spot for the next school year!
- If you have changes for the weeks your child is coming during the summer, please let Denise or Kara know ASAP as we have waitlists for almost every week!
- If you're paying for the summer in full (for a 10% discount), it is due by June 24th, payments can also be made online using PayPal!

What's happening. . .

Themes of the week for:
Week of 6/3 - Forest Friends
Week of 6/10 - Camping
Week of 6/17 - Summer Fun
Week of 6/24 - School's out!
